Dear :

This Tax Organizer is designed to help you gather the tax information needed to prepare your 2021 personal income tax return. To help you complete the Organizer with minimal time and effort, when available, you will find certain information from your 2020 personal income tax return.

Enter 2021 information on the Tax Organizer pages provided. If any information does not apply to you or is incorrect, please draw a line through it or make the necessary corrections.

The Client Questionnaire asks about pertinent tax items necessary for preparing the most accurate tax return possible. Please answer all questions and attach a statement when necessary for additional information not provided in the Client Organizer.

You will also need to provide the following information:

- Forms W-2 for wages, salaries and tips.
- All Forms 1099 for interest, dividends, retirement, miscellaneous income, unemployment compensation, nonemployee compensation, Social Security, state or local refunds, gambling winnings, etc.
- Brokerage statements showing investment transactions for stocks, bonds, virtual currencies, etc.

IRS regulations require paid tax preparers who expect to prepare and file 11 or more federal individual, nonresident alien, or trust tax returns to file them electronically. To comply with this requirement your return will be electronically filed this year. The benefits of e-filing include a secure way to file tax returns and it provides proof of acceptance that the IRS has accepted your return for processing. Contact this office if you prefer your return be filed on paper.

The IRS doesn't *initiate* contact with taxpayers by email, text messages or social media channels to request personal or financial information. This includes requests for PIN numbers, passwords or similar access information for credit cards, banks or other financial accounts. Phishing is a scam typically carried out through unsolicited email and/or websites that pose as legitimate sites and lure unsuspecting victims to provide personal and financial information. If you receive such an email from the IRS, send a copy of the email to phishing@irs.gov. Please do not respond to the email unless the email request you send to the IRS has been verified as legitimate. You may also contact our office regarding any correspondence, written or electronic, that you receive from the IRS.

Thank you for the opportunity to serve you.

Sincerely,

Eric M. Libow, PA
